

Department of Environmental Quality, Division of Air Quality PUBLIC NOTICE:

In accordance with Chapter 6, Section 2(m) of the Wyoming Air Quality Standards and Regulations, notice is hereby given that the State of Wyoming, Department of Environmental Quality, Division of Air Quality, proposes to approve a request by Koch Exploration Company LLC to conduct well completion and re-completion activities in the Concentrated Development Area described as locations within Carbon, Fremont, Lincoln, Natrona, Sweetwater, Sublette and Uinta Counties, Wyoming. The proposed permit includes requirements to conduct well completions or re-completions using best management practices to reduce emissions of regulated pollutants associated with such activities to the extent practicable and to monitor, maintain records and report emissions from the completions or re-completion activities.

For the duration of the public comment period, copies of the permit application, the agency's analysis, and the public notice are available for public inspection online at <http://deq.wyoming.gov/aqd/new-source-review/resources/applications-on-notice/> and at the Sublette County Clerk, Pinedale, Wyoming. In accordance with the Americans with Disabilities Act, special assistance or alternate formats will be made available upon request for individuals with disabilities.

Written comments may be directed to Steven A. Dietrich, Administrator, Division of Air Quality, Department of Environmental Quality, 122 W. 25th St., Cheyenne, Wyoming 82002 or by fax (307) 777-5616. Please reference AP-17066 in your comment. Comments submitted by email will not be included in the administrative record. All comments received by 5:00 p.m., Thursday, October 29, 2015 will be considered in the final determination on this application. A public hearing will be conducted only if in the opinion of the administrator sufficient interest is generated or if an aggrieved party so requests.
